

Corona Virus Response and Relief Supplemental Appropriations Act (CRRSA) Learning Acceleration Specialist

JOB DESCRIPTION

The position of **CRRSA Learning Acceleration Specialist** for the Green River Regional Educational Cooperative is designed to support districts in planning and providing the necessary supports to accelerate learning for students and close achievement gaps. The Learning Acceleration Specialist will work with regional and district CRRSA Team Members to co-design each district's action plan and provide feedback regarding the measurement of goals and plan implementation with fidelity. These actions will provide a professional learning community across the region focused on systems of support for intervention and acceleration efforts.

Required Qualifications:

- Master's degree from an accredited university
- Valid KY teaching certificate
- Minimum of 5 years of teaching experience
- Ability to work with districts to design, expand and evaluate programs serving students
- Provide consultation/coaching to develop capacity within a district/school to reduce achievement gaps
- Ability to identify, access, and use existing resources to support the efforts of the district in providing services to all students
- Support use of strategies and practices to combine learning acceleration and intervention needs for immediate implementation to include a strong knowledge base of Multi-tiered Systems of Support, UDL, and evidence-based practices

Preferred Qualifications:

- Education or work experience in data collection and analysis for use in problem-solving
- Experience presenting to adult audiences
- Knowledge of Implementation Science principles and State and Regional Systemic Improvement Plans
- Strong written and verbal communication skills, including computer skills
- Excellent organizational and time-management skills
- Ability to work independently with little direction
- Strong interpersonal skills with the ability to promote positive public relations with state, regional, district, and partners
- Ability to participate in a collaborative team effort to provide high-quality service to member districts

Annual Contract: 220 Days

Reports To: Executive Director or Designee

Salary: Based on rank and experience in accordance with GRREC's Salary Schedule

Evaluations: Performed annually by the Executive Director or Designee

Responsibilities:

1. Facilitate networks to support increased knowledge and understanding regarding the reimagining of intervention/acceleration efforts in response to the interrupted learning of 2020.
2. Support districts in developing comprehensive systems of support to accelerate learning and address intervention needs.
3. Make connections across districts to create a network for intervention support.
4. Provide high-quality professional learning, coaching, and technical assistance for administrators and staff.
5. Attend training, workshops, and conferences (as applicable and approved by supervisor) to maintain awareness of current information and evidence-based practices.
6. Willingness to travel inside and outside the GRREC region.
7. Perform other duties as assigned by the Executive Director or Designee.
